As Glenn Fry said "The heat is on" and looks set to remain for a while longer. I hope you survived the deluge on Friday evening, 20<sup>th</sup> July? Lots of reports of light water damage, but fortunately nothing worse! Advice issued by our weather department here at the EV, is do as little as possible during the hottest parts of the day, for the staff here, that's from 7.30am to about 5.30pm, when the pub opens! Our head of all things medical gives the advice to drink plenty of fluids including as much Beer, Wine & Cider, should be no problem for the good folks of Ecton.

Now back to our 'favourite' topic, fly tipping. We have now logged 21 requests to Northampton Borough Council to clean up the Crow Lane End of Lower Ecton lane. Despite promises nothing has happened and I don't think it will. So myself & Ian are planning to clean up and send them the bill! If you want to join us for a couple of hours of S\*\*t Shovelling, then let me know. We plan to do a couple of Saturday mornings when the weather is cooler.

### Ecton Parish Council

Many thanks to those who took part Speedwatch. It's not much fun getting up early to then be abused by drivers using the village as a rat run. Thank you very much to our volunteers. Unfortunately no speeding vehicles were logged as the presence of parked cars does slow the traffic down.

On that subject it really does help if vehicles park on the road and not the path as it makes cars slow down and allows people to use the footpaths. There is an awareness of the problems that villages face when they are used as a rat run. We are continuing to try and enlist some help with an issue that now seems to be about volume of traffic at peak times rather than speeding vehicles.

The next Parish Council meeting will be on the **Tuesday 18<sup>th</sup> September at 7.30pm.** At the Village Hall. All are welcome to attend. You can obtain a full copy of the latest Parish Council Minutes. Email: [ectonparishcouncil@yahoo.co.uk](mailto:ectonparishcouncil@yahoo.co.uk)

## Rector's Letter August 2018

*"May the love of the cross  
The power of the Resurrection  
The presence of the Living Lord  
Be with you always"*

Those words are on the back of my Confirmation Certificate which I received at my Confirmation on 7<sup>th</sup> December 1978. It was at that service when I first heard God calling me to ministry and so for me Confirmation holds a very important place in my faith journey and it is always a joy to prepare and welcome candidates for this holy sacrament.

Confirmation marks the point in a Christian's life when the promises made at baptism, usually on their behalf by godparents, is affirmed by themselves and a commitment is made to live a life following the teachings of Jesus.

The affirmation of the baptismal promises is made, after a time of preparation, at a special service through prayer and the laying on of hands by a Bishop. At the service the church asks God to give each candidate power through the Holy Spirit to enable them to live a life of faith, with the Bishop saying the words over each candidate "Confirm O Lord your servant with your Holy Spirit".

Confirmation is a time of rejoicing and celebration and marks a distinctive moment in a candidate's faith journey. It is also a time of deeper understanding of Communion and after Confirmation candidates are able to receive the bread and wine.

On **Sunday 14<sup>th</sup> October at 5pm** there will be a Benefice Confirmation Service at Great Doddington church. (There will be no 11.15am service that day)

So far we have five candidates and if you would like to be confirmed this year it is not too late. The preparation course for children starts on Sunday 9<sup>th</sup> September 4pm-5pm at Great Doddington church. A course for adults will be put in place once adult numbers are known. You can do the course and then decide if the time is right for you to be confirmed or not. If you have not been baptised that is not a problem, baptism can take place, after preparation, either before or during the service and in fact I was not baptised as a baby and so was baptised on the Sunday before my Confirmation.

If you would like more information on being baptised and/or confirmed, or indeed if you would like to talk about any aspect of the Christian faith please do contact me.

Yours in Christ,

Revd. Jackie Buck

## **Church Finance and Building Update**

This year we have been fundraising for two reasons. Following our five yearly inspection last September a lot of work was identified in order to keep the church watertight.

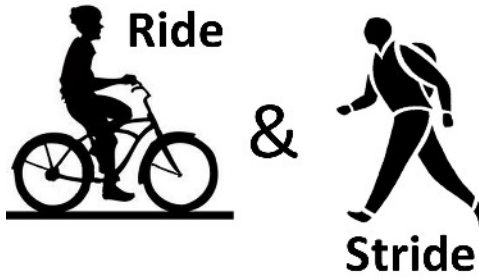

The bulk of this relates to the Chancel roof. We have sent an appeal out to the village for funds and we have once again been surprised and humbled by the warm response this has received. Including Gift Aid we have now raised over £22,000, an astonishing amount! Secondly we appealed for regular monthly income.

To date we have achieved over £200 of our £300 target. Those of you who have donated for the building and/or the running costs will be receiving a personal letter of thanks very soon.

We'd like to express our very grateful thanks to all those who have made a financial commitment and to those who have run and helped with fundraising events to support the church. The most recent event, the Photo Exhibition raised over £400.

The necessary preparatory tasks for this work on the church are underway. Our architect is currently producing specifications for the work so that we can go out to tender – in order to do this he has to liaise with the Local Planning Office, Historic England and the Peterborough Diocese – not to mention the bat survey that needs to be conducted prior to work starting. Until we get to the tender process it is unclear whether we have enough funds in place. However, once we do get a clearer picture of costs we shall be applying to relevant grant making bodies (including Northampton Historic Churches Trust) and we are usually able to reclaim VAT from Central Government.

There is some way to go yet but we shall keep you advised of progress. The churchyard also has required work – a tree survey revealed that one of the Lime trees by the North Gate was rotten and needed to be removed. Additionally, several other trees have required attention to keep them safe. This work is now complete - apart from the trunk of the Lime which needs some heavy lifting gear to shift it. This should be removed very soon. The tape around the trunk is there for a reason – the ground around the stump is unstable and dangerous, so please do keep clear.

Enjoy a good walk or bike ride on 8th September.

Every year, Northamptonshire Historic Churches Trust (NHCT), hold a sponsored walk and cycle ride around the churches of the county. To be held on Saturday 8th September from 10am to 6pm, you can get involved, either as a rider/walker or as a volunteer to man Ecton church during the day. Please contact Joy or Nigel Bond on 01604 948040 for details.

If you take part with Ecton as your base half of all your sponsorship will come directly to the church. The remainder is used by NHCT to provide grants to churches for essential maintenance work. We received two of these grants last year.

### **Jude's Memorial Service**

On behalf of Thomas, Sarah, Ben, Bill (and of course Jude) may I take this opportunity to publicly express our heartfelt gratitude and thanks to all who attended the memorial service for Jude.

The response from this wonderful community was absolutely brilliant. It was a fantastic example of the community spirit that exists in Ecton. The way community came together publicly to celebrate the life of Jude was truly moving and astounding.

As a family we were completely overwhelmed by the good wishes support and love displayed towards us on what was a very sad occasion.

It was also great to see the beautiful church full to capacity for the service.

It was also pleasing that to see so many people joined us in the village hall afterwards to chat about Jude and raise the a glass or two in her memory.

I really cannot put into words how much respect and gratitude we as a family have for all those involved in the preparation and serving of the food in the village hall. It was a remarkable occasion one of which I am certain Jude would have fully approved.

It is impossible to express how grateful the family are for all the hard work, effort and organisation that contributed so much to making the day so special. To all involved in the village hall.... your efforts were really appreciated and contributed greatly to making the day so special. it was a great team effort and you are all superstars. I just cannot thank you all enough

You can all take a great deal of satisfaction from knowing that you are responsible for playing a huge part in making the day unforgettable.

Once again thank you Ecton!

### **Ecton Village BBQ**

I would like to say a huge thank you to everyone who made the annual Village BBQ such a great success. We raised an amazing £825.00 for Village Hall funds. It was great to see so many villagers old and new together with their family and friends. Big thanks go to Graham for his BBQ skills to Robert and Carol for managing the bar so efficiently and to everyone else who helped with setting up, clearing away and all the other background stuff !!!
