Editors Notes

We have had many celebrities visiting our lovely village over the years, this time we were delighted to welcome, the famous, Basil Brush, seen here with some of our locals. He was making a guest appearance at a show in Northampton and kindly agreed to have his photo taken and sign some posters. Many thanks to Jan for making it happen! Enjoy the Spring with lots of events coming up, and please remember to keep all dogs under control now the sheep are in the fields, and pick up after them.

Ecton Easter Trail

Well Done the Easter Village Trail was a great success and thanks to all Supporters, raising £122 to Age UK Northampton (The Three Horseshoes Skittles 2019 Charity) and extra special thanks to Kiera Jeyes for the Refreshments.

The winners of the Easter Hamper, pictured, were from Spain and visiting one of our Ecton families, we are delighted they came along and joined in the fun.

Ecton's Neighbourhood Plan

By popular demand it's back! Ecton's Neighbourhood Plan

You will receive, in the middle of April, a leaflet explaining where the Parish Council and Steering Group have got to and the next steps.

There has been a delay because Wellingborough Council conducted an appraisal of the village conservation area. The new and expanded conservation area was formally approved at the end of last year and if you are unaware of this you may like to have a look at the following link

http://www.wellingborough.gov.uk/info/1004/planning_policy/1385/ecton_conservation_area_appraisal_consultation_draft_january_2018

which provides the detailed report and an interactive map.

Following the previous consultation in 2017 we are now preparing to publish the pre submission Plan which includes the new conservation area and has taken note of many of the comments received.

The leaflet will explain in more detail how we plan to proceed and how you can comment further as part of the final consultation before the plan progresses through the statutory steps.

We would be grateful if everyone could engage with this process by reading the leaflet and the plan as it provides our community with an opportunity to set planning policies for the parish of Ecton

Rector's Letter May 2019

As we enter the month of May gardens are really coming into their own. The spring flowers are fading away, their welcome colour, as winter changed to spring, being overtaken by the bright colours of summer.

The Church has always been in tune with the seasons and the natural world and so it is no surprise that this is the month in which we have what is known as Rogation Days. The word “rogation” is from the Latin *rogare*, which means “to ask” and on these days the Church has traditionally offered prayers for God’s blessings on the fruits of the earth and the labours of those who produce our food.

The Days of Rogation fall three days before Ascension Day, which this year is on Thursday 30th May. Ascension Day is the day Jesus returned to heaven after spending 40 days on earth, after the Resurrection and will be celebrated with a service of Communion on Thursday 30th May 7.30pm at Ecton Church. Everyone is welcome to join us.

Another tradition of Rogation days is the ceremony of beating the bounds, in which a procession of parishioners, led by the Minister and Churchwardens would proceed around the boundary of their parish and pray for its protection in the forthcoming year.

While this practise does not now take place in our benefice, we have, as a new initiative, committed to praying for a road and its residents each week. This month we are praying for Wellingborough Road (Ecton), Bilbury Close (Wilby Way), Doddington Road (Wilby) and Doctors Lane (Great Doddington). The following prayer, used at Rogation time, encompasses both our prayers for the earth and for our neighbours:

Remember, Lord, your mercy and loving-kindness towards us.

Bless this good earth, and make it fruitful.

Bless our labour, and give us all things needed for our daily lives.

Bless the homes of our parish and all who live within them.

Bless our common life and our care for our neighbour.

Hear us, good Lord. Amen.

Yours in Christ,
Rev. Jackie Buck

Daffodil Walk.

On Sunday 7th April a group of us enjoyed a walk in the woods followed by tea and scones at the village hall.

Mr Sotheby together with his son Mark led the party into the area of the estate grounds between the A4500 and Ecton Hall, where they gave an interesting account of the history of the estate along with anecdotes relating to its day to day running.

It was a real pleasure to see some of the history of our village in the form of buildings and features and hear the story behind them.

As always the event was organised to raise money, this time to contribute funds towards the preservation of the village sign and an impressive £325.00 was raised so many thanks to everyone for your generous donations. Sincere thanks go to Mr Sotheby without whom this event would not have taken place, he not only allowed us access but also gave up his Sunday afternoon to act as our guide.

ECTON SAFARI SUPPER - Saturday 9th November

(in aid of Ecton Church Roof Fund & "Survivors of Modern Slavery")

How does it work? All the guests go on safari, moving from house to house between courses. The evening will begin at 7.30pm as we all meet together in one house for a pre-dinner drink and canapés. Everyone then moves to different houses - with different groups of people - for each course. The evening will end with everyone together again for cheese, coffee and port.

Who can take part? Everyone! It's a great way to meet friends and neighbours – particularly if you are new to Ecton.

What do I have to do? We do need people to host a main course or a pudding for 8 people, or to bring a plate of canapés to the pre-dinner drinks house. If you haven't hosted before you'll be extra welcome! It's not a cookery competition – simple food is fine. (There will be a financial contribution for the food and wine).

We are also looking for someone to host the canapés at the start of the evening and the cheese and port at the end. Please let us know if you are able to help – we need a house that comfortably holds approx. 80 people.

What does it cost? Tickets are £18 per person (and we will be selling raffle tickets on the night, so please bring some extra pennies with you!).

More questions or to book a place? Email (carolarmstrong1@gmail.com) or ring either Carol (402907) or Caroline (07590 209311).

P.S. If you're interested in organising the next Safari Supper, let us know and we can involve you in this one to give you a head start!

BELL APPEAL

Please help to keep our bells ringing & maintain this tradition for Sunday Services plus Weddings & other special occasions.

We are now faced with vital maintenance costs this year for 6 new ropes @ £156 each and next year, around £700 to have the 6 clappers refurbished at the Bell Foundry.

The Church Council is already faced with raising a huge fund this year to replace part of the roof. So we, the Bell Ringers, will be holding fund raising events over the coming months and hope that you will support us.

In addition, we will have 'Open Belfry' for visitors on the 1st Saturday of the month, starting 4th May, between 10am and 11am when you will have the chance to see how the bells are rung and even have a go yourself! You will need to be able to climb the spiral stone staircase to the belfry for this.

If you would like to make a Donation or discuss this, then please do contact either Thomas Coulter-Brophy or David Dicks.

Further events to be advertised later.

Pictorial Map of Ecton in 1830s

The Pictorial map of Ecton in 1830s was produced by Rodney Ingram in 2009 in a limited edition of 30 printed on canvas.

I have had several requests for a reprint of the map but decline to do so for two reasons. Firstly, the cost of canvas and printing has escalated making it uneconomic for most people who would like to own one.

Secondly, the owners of the original print are happy that they have a very limited edition print. However, I have decided once again to have another small further print run made of the map, size A1, on very good quality paper that would be suitable for framing at a more reasonable cost. The Pictorial Map depicts the village of Ecton in the early 1830s. It is based on a map produced for Ambrose Isted, who had inherited Ecton estate in 1827 and, like the original map, it shows the cottages owned by the estate and the names of the tenants. The numbering of the cottages accords with the original map. The villagers' occupations were not shown on the original map but have been deduced (where possible) from census and other records. In addition to the tenants of the cottages, the original estate map also names other householders, some of whom were also tenants but a very few who were Rectorial tenants; they are included also.

The maps are available to purchase together with an accompanying booklet of interesting information about Ecton and its 1830 inhabitants at a total cost of £40.

If you would like to purchase one then please either return this slip, telephone or email me.

Taking just a few steps can make a big difference in keeping your home safe from burglary. Here are a few tips:

1. Lock your doors and windows every time you leave the house, even when you're just out in the garden, remembering to double-lock UPVC doors (lift handle and turn key).
2. Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox).
3. Install a visual burglar alarm (as part of a suite of prevention measures - a burglar alarm on its own will not prevent entry to your home).
4. Install good outside lighting.
5. Get a trusted neighbour to keep an eye on your property.
6. Leave radios or lights in your house on a timer to make the property appear occupied.
7. Make sure the fences around your garden are in good condition.
8. Secure bikes at home by locking them to an immovable object inside a locked shed or garage.
9. Keep ladders and tools stored away; don't leave them outside where they could be used to break into your home.
10. Ensure side gates are locked to prevent access to the rear of the property.
11. Ensure rear fencing is in good repair.
12. Improve natural surveillance at the front of your property i.e. trim high hedges.
13. Mark your property with postcode and house number and register your property for free with Immobilise at <http://www.immobilise.com/>
