FROM THE RECTOR'S STUDY

Some time ago we had a period of experimentation centred upon a family service on the first Sunday in the month. The experiment lasted six months during which attendances averaged approximately fifty. There were discussions before and after the trial period at informal and formal levels. At the last Parochial Church Council, I proposed that a service of this kind should become an established feature of our regular worship at our parish church on the first Sunday of the month. The Council gave me its support and asked me to make a decision in my capacity as Rector. The time for debate is over and I wish to announce that the new programme of services from the first Sunday in March is as follows:

9.30 Holy Communion (said)

10.30 Sunday Praise (lasting no longer than 40 minutes)

6.00 Holy Communion (1662 with hymns)

I have also decided that the service of Holy Communion after Evensong on the second Sunday of the month will no longer take place.

It is impossible to please everybody, but this is an attempt to broaden the worshipping activity of the church. Opportunities for variety and a wider appeal directed towards those who have not been confirmed lie behind this decision. Parents with children, no matter how small, will be especially welcome to this new service of Sunday Praise.

Every blessing and joy, Peter Naylor

RECTOR'S NOTES

All those who helped to make the festival of Christmas such a memorable occasion are to be thanked for their enthusiasm, skills and dedication. This year, in particular, our church glowed with the results of their labours, and we had many well supported events. The Nine Lessons & Carol Service was enhanced by the presence and voices of the Kingsley Singers from St Matthews, Northampton, and also the magnificent voices of the Laurence Lloyd Singers to whom we are grateful for their donation of £100 which was given towards the Restoration Fund of the church.

The faithful few sang carols bravely round the village on a dark dank night. Once again we did not have strength in numbers or power in our lungs to reach all areas of the village. The door-to-door collection raised £102; and this too was added to the Restoration Fund.

On another occasion the church was filled with the children and parents from Ecton school. Our new headmistress showed theatrical invention with a most novel way of presenting the Christmas story. She used all the church with the result that the Christmas story was movingly portrayed by the children. The effect of the transformation scene was imaginative and dramatic. A collection raised £69.

So there we have it for another year with good attendances at the regular services for a village of this size. Thank you flower arrangers, Christmas tree decorators, cleaners, music makers, bell ringers, sidesmen, choristers, children and teachers in the Sunday Family, and members of the regular congregation, and anyone else who I have forgotten to mention for all that you did in the name of our beloved Jesus who was borne on Christmas Day.

Patricia and I wish to thank those who so kindly sent Christmas cards. It is clearly encouraging to know that we are remembered in your thoughts and prayers.

This year brings a total revision of the Electoral Roll. Forms are available at the back of the church and regular members of the congregation will be encouraged to take them home for completion. Mary Dicks is our Electoral Roll Officer. She asks if you would kindly put your telephone number with your address as she is frequently asked to provide it for members of the congregation who wish to contact others. There will be some, of course, who are ex-directory, and for personal reasons do not wish to have their number publicised; Mary and I will respect your wishes. However, the choice is yours.

Remember, you cannot vote at the Annual Parochial Meeting, stand for election to the Parochial Church Council, or serve as a Churchwarden, unless you are on the Electoral Roll of the Church.

BIBLE READING NOTES

Once again it is time to re-order your copies of Guidelines or New Daylight for the coming months (May 1996 to April 1997).

The annual group subscription price will be £7.50 (ie £2.50 for each of the 3 copies covering 4 months) for Guidelines or New Daylight, but the large print version of New Daylight remains at £10.50.

If anyone else would like to see sample copies please let me know.

DECEMBER

Once again our speaker did not 'materialise' - so, some quick thinking, and Millie to the rescue, we had a pleasant social evening instead, including a quiz and some vocal efforts! We had visitors from Billing who added their contribution to the party atmosphere.

Members had prepared a choice buffet - and of course we enjoyed a glass of wine too!

Thank you to Marlene, and all members, for rounding the year off in such style.

We all look forward to another happy year.

Competition: Christmas Card - Millie, Jane, Margaret.

The Mothers' Union is a Christian organisation set up to help support all that makes up family life. *Away From It All (AFIA)* is a holiday scheme funded by members of the Mothers' Union, to help people who wouldn't normally be able to have a holiday.

Sometimes we can pay for a whole holiday, at other times we help with part of the cost or travel expenses. We will help if we can. Our funds are limited, but each year hundreds of families have a holiday with *Away From It All*.

The scheme is open to anyone who is under stress. You don't have to be a member of a church or any organisation, but you do need to supply some basic information (such as when you last had a holiday, the reasons why you need a break, etc). You can apply on somebody else's behalf. If you apply for yourself, or your own family, a doctor, head-teacher, clergyperson, etc, should be asked to support your application.

Holidays take many different forms and some are more suitable for families or individuals, for example:

- Specially organised family weeks with people on hand to help out, planned outings, and others around you.
- Time at a Mothers' Union caravan, usually on a site with full facilities.
- Staying with a Mothers' Union member as your hostess, where you will be treated as one of the family.
- Staying at a guest house, small family hotel or caravan site.

These are not the only options - we try to help find the right holiday break for people, because everyone is an individual.

If you would like to apply, please write to:

The Rural Dean of Wellingborough, Father John Westwood, has written to the people of Ecton, on 15th January, as follows:

"PARISH SHARE 1995"

On behalf of the Deanery I write to congratulate all parishes on a splendid achievement.

Once again, every parish in our Deanery has paid 100% of its Parish Share! At the time of writing we are the only deanery to have reached that target and Bishop Paul has written to me expressing the congratulations and thanks of the Diocese.

John Strange, the Deanery Lay Chairman, and Gerald Clarke, our Deanery Treasurer, join with me in saluting the tremendous efforts that have borne such excellent fruit. In view of the large increases that were asked for this is no mean achievement!

I am proud that we have reached 100% in the four years I have been Rural Dean and hope that at the end of 1996 we can tell the same encouraging story. Keep up the good work, and do use the energy and constructive help Tony Armitage, our Parish Development Director, offers.

Please pass on our thanks to all concerned and especially your noble Treasurer!

Yours in Christ"

What is a Parish Appraisal?

It is a study by the residents of a village which enables them to discover the past, document the present and debate the future of their parish. By gathering facts and opinions about your village you can highlight assets, deficiencies, needs and aspirations. Based on this re-search guidelines can be developed to inform local authorities of the residents perceptions and expectations.

Why do an appraisal?

- To take stock of what the parish has and has not
- To assess present and future needs
- To be better informed on potential threats to parish assets
- To be better informed on what residents want of their village and for their village
- To form the basis for local voluntary action, as in creating conservation corners
- To be better able to inform Parish, District and County Councils about the village's needs as perceived by the residents.
- To foster community spirit by getting people to work together
- To encourage a sense of pride and heritage among residents
- To collect evidence to influence decision makers

Why do an appraisal now?

Parish life has changed dramatically since the turn of the century. It is likely that this change will continue well into the next century.

If we are to influence change in our villages, it is essential that we are well informed of the current situation and the future aspirations of our villages.

This information can then, through a Parish Appraisal, be presented in a professional, structured way to those who make decisions concerning our local environment.

How do we do an appraisal?

Call a public meeting to establish levels of interest and form a steering group.

Invite your parish appraisals officer to address a group of interested villagers.

Decide which areas you want to appraise. This could be from 2 or 3 to 22 or 23.

Organise groups of interested volunteers to research each of the areas and report their findings.

Analyse the findings and decide how to present them.

Publish your appraisal and circulate it to all interested parties.

Review aspects of the appraisal regularly to monitor the pace and extent of change and the results of any recommendations.

Keep smiling and have fun!

SUMMER TREAT!

I feel a daffodil coming on
despite the chill wind blowing very strong
I'm sure a crocus is waking from its slumber
to give us a pageant of colours great in number

Breaking ice for the birds' survival
they also await Spring's arrival
Snowdrops make a carpet of white
against the watery sunlight a real delight

... and you ask the purpose of this short rhyme
it is to announce that it is almost the time
When a certain person will be setting the date
... for the '96 Summer Fete

I will be asking you all to lend a hand
towards the fete not to be quite so grand
Just tea, music and a few stalls
for the delectation and enjoyment of us all

PARISH COUNCIL REPORT

Meeting on Monday 20/11/95

PRESENT: D C Dicks (Chairman), Mrs J Haycox, Mrs S. Johnson
Messrs V Lester, T Moffett and E Needham

APOLOGIES: Mrs S Ingram, Messrs J Beesley and T Green

MATTERS ARISING from minutes of previous meeting included:

- a) Play equipment: An estimate had been received for additional "spring animals" for approx £2000, including installation. It was decided to make enquiries with Wellingtonborough Borough Council about safety surfaces for existing equipment before proceeding with any new items.
- b) Footpath T.4. Chairman advised that the new "kissing" gate and posts had been received from the County Council and would be installed as soon as possible.
- c) Primary School - parking problems: A letter had been received from the Headteacher, Mrs Sayers, advising that two letters had been sent to parents asking them to park more carefully and, in addition, permission had been obtained for parents to use the World's End car park.
- d) Cable TV: The County Council had advised that the cabling within the village would not now take place for a further 12-24 months. A copy of the guidelines which the contractors must follow with regard to tree roots etc. was issued to all members of the Parish Council for future reference.

PLANNING

Applications received:

Ecton Hall Cricket Club

- Pavillion to rear of Youth Club
- no objections.

Premier House (Overstone Manor)

- double sided sign at bottom of Sywell Lane. The Council objected to this sign in view of other signs already near this junction and felt it could possibly distract drivers.

Approvals received:

Mr E S Needham

- new house off Church Way, subject to numerous conditions.

STREET LIGHTING

Estimate had been received for the two new previously approved lights totalling £1003 including installation etc. - agreed to proceed with the work. All lights appeared to be satisfactory at present.

HIGHWAY MATTERS

Letter received from Mr M Creed regarding the number of signs on the A4500, west of the village, which obscure visibility of the approaching traffic. It was decided to forward the matter to the NCC.

It was reported that the footpath in Sywell Lane is becoming overgrown at the edges again and agreed that letter be sent to the NCC requesting attention. Also noted that repairs to raised stop-tap cover at bottom of Church View still outstanding. Chairman to speak to John Murray NCC to try to chase Anglian Water.

Letter received from NCC advising winter gritting programme. Mr Lester agreed to act as Parish "Snow Representative" in times of severe snowfall. NCC advised that only the main roads would receive priority gritting.

Several areas of the village were in need of leaf sweeping and agreed that a request be put to Wellingborough Borough Council, asking for this to be done.

Letter received from NCC explaining that our roads and pavements are inspected annually in February and any urgent work to be carried out in April/May. There is an additional safety inspection in July to assess any outstanding problems.

It was agreed to write to Fisher Hoggarth regarding the derelict garden next to the Estate garages in High Street. The pavement is becoming obstructed by overgrown ivy and brambles.

Also reported that the drain at lower end of High Street on the West side of bend was blocked with silt, and in need of attention.

FINANCIAL MATTERS

Revenue estimate for 1996/97 was required and agreed on a total of £3167. This was made up as follows:

Street Lighting	£1525.00
Clerk's salary and expenses	£982.00
Insurance	£428.00
Hire of School	£102.00
Playing Fields	£100.00

The following accounts were approved:

East Midlands Electricity	£242.51
NCC - hire of room	£17.00
Mrs P. Hall (Clerk)	£104.93

OTHER BUSINESS

The results of the Best Kept Churchyard had been received and yet again Ecton achieved a very commendable 91 out of 100 in the preliminary round of Class I being just one point behind the winner. It seems that we are always judged one point less than the winner, which is a sad reflection on all the

effort and dedication that is put in every year by the regular team of "volunteers". It was agreed to place the results on both the Parish and Church notice boards.

Comment was also made regarding the old problem of dogs fouling the pavements and walkways within the village and even in the Churchyard. IT WOULD BE SO MUCH BETTER FOR EVERYBODY IF ONLY THOSE WHO ALLOW THEIR PETS TO DO THIS, WERE A LITTLE BIT MORE CAREFUL AND CONSIDERATE FOR OTHER PEOPLE. Please also remember that it is an offence which carries a hefty fine when prosecuted.

Work is currently underway with members of the Parish Council clearing around the trees that were planted on the A4500 west of the village. Considerable progress has been made so far.

Mention was also made about a "Village Appraisal" which we are urged to help organise. In order for this to happen we need someone to coordinate a small group of residents interested in achieving this objective.

Further explanatory notes follow this report.

MONDAY CLUB

At the start of 1996 we have a membership of 34, with four new members, and an average of 20 at our Monday meetings. We would welcome more new members.

Thirty five of us sat down to a lovely free Christmas Dinner at Ecton House, celebrating our 25 years. We were entertained afterwards by the Savoy Singers , then sherry and mince pie to finish the evening.

The Whist Drives are still very popular, around eight tables each month, enabling us to give £130 to the Church Brass Fund so far.

February dates for Whist Drives are the 5th, 19th and 29th.

Also Eileen and I would like to visit Buckingham Palace this year, is anyone else interested so we can get up a trip? Please let us know as soon as possible.
