Editors Note

Welcome to the October issue of the Ecton View, packed full of fun things to do now the nights are drawing in. But firstly a huge thanks to all those who organised the Village Celebration on 4th September and to all who raised the funds. Ecton really does know how to organise a good knees up!

Coming up this month, the Annual Big Village Quiz will held on 16th October in the Village Hall, enter your team now, time to see who really does know it all in Ecton! Halloween brings the Pumpkin Trail around the village, plus two chances to get some lovely cake and a cuppa, firstly on 1st October at the Ecton Brew Cafe and then in the Church on 23rd October.

Finally, no October issue would be complete without the launch of the Ecton Christmas Card, simply add your family message, pop it in the envelop provided, add some cash and post into one of the several collection points around the village. You helped raise over £750 last year, lets see if we can top that

See you again in November

Churchyard Maintenance - Thank You!

We shall be having our usual Churchyard tidy session on Saturday 2nd October in the morning. We shall try and get as much of the autumn tidying work done so bring along snippers, clippers, strimmers and you will be made very welcome.

The PCC have asked me to express their thanks to everyone who has helped with the churchyard this year - those who have mown, weeded, trimmed, planted or taken good care of particular areas of the churchyard. I hope you agree that it is now looking very good, and it will be even better when we lay some new gravel in the near future.

Ecton Church Services - October 2021

All are welcome to these services.

Face coverings are recommended in church, especially for singing. Seating is available if you wish to social distance.

Rector's Letter October 2021

Due to the pandemic Chelsea Flower Show, for the first time in its history, has been held in September this year rather than in May. This has meant the plants on show have been quite different from those of previous years, which in many ways has given a fresh look to the event. Chelsea has been held in the Royal Hospital grounds since 1913 however since 1862 there had been an annual event in London called The Great Spring Show. After 1913 it soon became known as Chelsea Flower Show, or simply Chelsea and is the showcase event for plants people and garden designers.

The pandemic has caused many events to be cancelled, postponed or re imagined and while this has created a lot of disappointment, sadness and expense it has also meant we have had an opportunity to re evaluate many of the things we do.

As you will know, in our churches we are trialling a new pattern of worship and this pattern will continue throughout October. Had the pandemic not happened I wonder if we would have explored this new way of worship? Please let me or a member of the PCC (Parochial Church Council) know your thoughts about the times and content of our services. We have a Joint PCC Meeting in October and it would be good to have as many opinions as possible as we discuss the way forward.

Just as at Chelsea new ideas have been brought forth, through the change of season in which the event has been held, so too new ways of worship are open to us as we hopefully come out of the pandemic and look with faith to the future.

Yours in Christ,
Revd. Jackie Buck

My Big Green Week

To do my bit to reduce the pollution from traffic I decided that I would use buses to get around between Wellingborough, Ecton, Cogenhoe and Northampton instead of using my car. I also walked between Earls Barton and Ecton, and between Cogenhoe and Ecton, a lovely time of year to be outside surrounded by nature. I even saw a little shrew creeping through the grass this morning. It needed a bit of planning, but bus times fitted in very well with what I wanted to do, so it all worked. I would recommend giving bus travel a go, especially if you are eligible for a bus pass. It is really relaxing to sit on a bus and watch the countryside from the window.
