Rector's Letter November 2021

This year the Royal British Legion celebrates its centenary. For 100 years the Legion has helped members of the Royal Navy, British Army, Royal Air Force, veterans and their families. Their support starts after one day of service and continues through life, long after service is over.

At Remembrance services those who have served and continue to serve, to defend our democratic freedoms and way of life, are honoured.

Men and women are remembered from many different nations, cultures, religions and communities, as we as a country come together to give thanks for those who stood shoulder to shoulder, regardless of any differences, to defend our freedom and way of life. And as we come together we commemorate all those who have lost their lives in conflicts, lives that include those that have been lost locally, and I am pleased that we will be able to hold Remembrance services on Sunday 14th November in all three of our villages this year.

At Ecton church there will be a service of Holy Communion at 9.30am followed by a service of Remembrance at the Shrine at 10.45am. At Wilby church a Morning Prayer Service with hymns will be held at 10am, moving to the war memorial in the churchyard at 10.50am for an Act of Remembrance. There will then be a Remembrance Service at Great Doddington church at 6pm. Numbers will be limited but there is no need to book. There will be no morning service at Great Doddington that day.

Remembrance services remind us of the sacrifice so many have made for our freedom and how final death can seem. However, the Christian faith teaches us that through the sacrifice of Jesus, death is not the end but a new beginning. May the promise of eternal life, won for us by Jesus through the cross, comfort us all as we remember once again the ultimate sacrifice made by so many for our freedom.

Yours in Christ,
Revd. Jackie Buck

Autumn

I hope you are enjoying this beautiful autumn season – the smell of the earth, the special green of the grass at this time, the changing colours of leaves and the welcome autumn sunshine.

Do get out for a walk, ride in a vehicle, the garden or even view from a window- it is so uplifting.

Don't forget to clean bird feeders regularly, leave areas for creatures to hibernate and perhaps even make plans for wild areas in your garden next year.

Let us all hope that COP 26 will be a success and we can all commit to repairing and nurturing nature for future generations.
