Editors Note

Welcome to Septembers issue of the Ecton View. What a scorching summer its been... as we now look forward to temperate days, there is lots of things to join in with in the coming months.

Butties, cake and a cuppa are back, on the first Friday of the month. Make sure you get down to the village hall to grab a seat, as this event is fast becoming the most popular in the village.

There is also the Macmillan Annual Coffee morning, raising funds to help with the great works they do. Its also the return of the Great Big Village Quiz on 15th October. Its been sold out the last few years so buy your tickets now (details inside)

We also have a bus load of our American Cousins visiting the village on 5th September as part of the 'American Connection Tour'.. This will be their 2nd visit to Ecton, if you see them, please give them a warm Ecton welcome.

Also, did you know, that due to the generosity of past wealthy residents of the village, from the late seventeenth century, Ecton has an Educational Charity, to support further education and apprenticeships. It open to all people in the Parish under 25 years old. More details are inside this edition.

And finally, I apologise, but next month we will have to broach the subject of 'Christmas' as the time for preparing the Ecton Village Christmas Card pops up in my desk calendar.....so start planning your messages and send in your many ideas for this years festive picture on the card! Envelopes will be provided, as in previous years, for your missives and donations. All details in next months magazine.

Please send anything you feel may be of interest to the good people of Ecton to ectonview@hotmail.com

Rector's Letter
September 2022

I have just harvested our onion crop for this year and they are now laid happily in the sunshine, drying off in preparation for winter storage. The smell of onions being pulled from the ground reminds me of my childhood, when the crop was grown locally in the fields in Bedfordshire.

The distinctive aroma could be smelt long after the tractor had passed by and the last thing you wanted to be was stuck behind the trailer in traffic! Whether it is onions, wheat or barley being transported along our roads, they are all signs that the harvest is being brought in and another year of growing has hopefully been fruitful. This year, with the war in the Ukraine and the cost-of-living crisis, we are more aware than ever of how precious our food is and the work that goes into providing it for us. From farm to plate numerous people are involved.

Traditionally churches hold a Harvest Festival service around September and October, to thank God for all he provides for us and to remember and thank the people who work so hard to bring us the food we need.

This year the Harvest services in the benefice are as follows:

St Mary Magdalene, Ecton - Morning Prayer Sunday 25th September 11am
St Mary the Virgin, Wilby - Holy Communion Sunday 2nd October 9.30am
St Nicholas, Great Doddington - Holy Communion Sunday 2nd October 11am

Everyone is welcome. The services will be about an hour in length and will include traditional harvest hymns, the bringing of our harvest gifts and refreshments afterwards. After the service the gifts will be given to the Daylight Centre and Food Bank in Wellingborough.

Do join us if you can, you will be made most welcome.

Yours in Christ,
Revd. Jackie Buck

Great Big Green Week
24th September to 2nd October 2022

This is a chance for communities to show that they care for the planet and their local area. You can organise an event, write to your MP or local councillor about issues that concern you, or encourage family and friends to make little changes that will start to make a big difference now and in the future. Google “Great Big Green Week” and you will find lots of sites with ideas and information.

I have put into practise some water saving ideas and my recent bill was significantly reduced!

I have also collected seeds from my garden to pass onto family and friends, so that they can have patches of garden to support pollinators and enjoy seeing beautiful flowers in their gardens.

The background of the page is a vibrant collage of educational and professional icons. At the top left, there is a smartphone and a glowing lightbulb. To the right, a rolled-up diploma with a red ribbon is visible. Below these, a blue alarm clock sits on top of a stack of books. On the right side, there are more books, a paintbrush, and a fountain pen. At the bottom, a pair of brown-rimmed glasses rests on an open book, with several colorful markers and a yellow pencil scattered around. The entire scene is set against a light green and white background with faint, repeating text.
